

Cinderella

TOILET SYSTEMS

Please read this before using the toilet

- 1.** Lift the lid and seat.
The fan will be activated.

- 2.** Place one Cinderella bag in
the bowl. A bag must be used
every time the toilet is used.

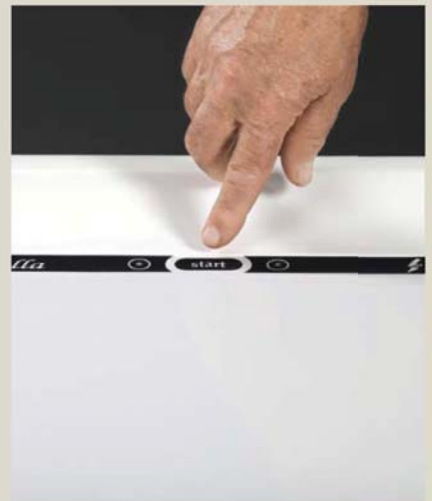

- 3.** Lower the seat.

- 4.** Use the toilet. If very little is
produced, pour a few decilitres
of water into the bag to make
sure that it will drop down
properly.

- 5.** Close the lid.

- 6.** Press START.

*Cinderella can be used in the normal way
even while combustion is in progress.*
